OR CALL 505-394-9997

EARLY ELEMENTARY EDUCATOR

REQUIREMENTS:

- Passionate about helping children learn and grow in an outdoor environment
- Able to hike 2 miles
- Excited about farm and nature-based education
- Able to co-teach our Farm Friends afterschool class, **on M/W, from 3:00-5:30**
- 18 years or older
- Extremely reliable and the ability to work desired hours
- Able to clear a state background check
- Able to complete professional development training and be first-aid certified

Educator will be paid monthly with an hourly rate starting at \$20/hour.

DESIRED QUALIFICATIONS

- Experience caring for young children
- Comfortable handling or the desire to handle farm animals, including chickens and goats
- Excellent communication skills with children and adults, including verbal and written
- Ability to create and teach activities and lessons to children
- Willingness to self-reflect and revise lessons based on success and student interest
- Skilled in managing risk and supporting young children's risky play
- An interest in the outdoors and knowledge of our local ecosystem or farm and garden concepts

Ability to **bring your own child** in the age range! 50% employee discount given.
